

## Scribble Art

Materials: white paper, black cardboard paper, black markers, crayons, scissors, glue sticks

Procedure:

1. Give each student a white paper and black marker. Tell them to make swirly scribbles all over the pages. Show them an example.
2. Then give them crayons and have them color each shape made by the scribbles with different colors. Again show them an example.
3. Once all the shapes are colored in, give them scissors and have them cut the outer edge of the scribbles.
4. Then glue the scribble art onto the black cardboard paper.
