

Watercolor fish

Materials: watercolor paints, cups, paper, crayons, paint brushes

Procedure:

1. Give each student a piece of paper and a water color pallet with a paintbrush. Then give each couple of students a box of crayons and a cup of water for them to share.
2. Have them draw a fish with their crayons but not color it in. Show different examples of tropical fish.
3. When their fish is done, have them paint in their fish with watercolors.
4. Leave ten minutes for clean-up at the end of class.
