

New Names at Camp Kirby

Chapel → The Lookout

Not only can we physically look out on the amazing view, but we also go there at the beginning of the week to look out upon our upcoming week together.

HiTor → Cascadia

Treehouse names will remain the same (names of mountains in the Cascade Range), but signage will be added to acknowledge which language the name is from.

Shuta → The Studio

Tayito → Halcyon

This name was suggested by one of our fabulous alum, and was actually the name of an old building at camp!

Campsites will now have names of local trees found at Camp Kirby:

Makuala → Madrona

Akeezu → Alder

Sepaca → Cedar

Overnight Camp Units:

HiTor → Discoverers

MuaMi → Explorers

Tanika → Voyagers
