## A Note From Gopher

Happy New Year!

I don't know about you, but I love this time of year. I love being able to reflect on the last year while also leaving some things behind and making plans for the year to come.

As I look back on the year at Camp Fire Samish & Camp Kirby, there is so much to celebrate! We were able to serve over 2,200 young people in our programs at Camp Kirby, offering them opportunities to build confidence, to develop leadership skills, and create memories that they will carry with them forever. Camp Kirby offers kids a place to be kids, which is incredibly important in our increasingly isolating and fear-inducing world. I am so proud of our entire team for their hard work and dedication to the youth of Northwest Washington.

There are so many opportunities that lay ahead in 2026! We are expanding our youth leadership programs, exploring new ways to enhance camper and staff wellbeing, and implementing some new rhythms that we feel will serve our campers well. There are certainly challenges we are facing, but we face them with confidence knowing we have a great community of supporters like you all.

Thank you for all the ways you've supported Camp Kirby in 2025, and thank you in advance for everything you will do in 2026!

**Marcus "Gopher" Roskamp**  
Executive Director

Thank you all so much!
